ACS Book Fair

Wednesday, Thursday and Friday
November 18th, 19th and 20th 7:45 - 4:00
Saturday, November 21st 10:00 - 2:00

Lower School Auditorium

Parents, Saturday is for you!
Couldn’t make it because you were working? Now is your chance to get some great books for yourselves and your children.

Also on Saturday, food and drinks are on sale. Support our own Children’s Cancer Center Volunteers, HS students making a difference.

Support the library initiative
90% of Book Fair proceeds will be used to bring an author from North America to facilitate workshops with a variety of students. We find that an author visit promotes students’ literacy skills.

10 % of all Book Sales go to Children’s Cancer Center Volunteers (CCC)
The main activity of the CCC is visiting children who are patients at children’s cancer centers in Beirut. We work with the Children’s Cancer Center of Lebanon (St Jude), AUBMC Pediatrics, Hariri Hospital, and Makassed Hospital. This is a student-led, community service activity. We plan activities for the children and go to the hospitals during the co-curricular block to be with them. In addition, we work to raise awareness of cancer diseases in children and we organize fund-raising events for the needs of the children.
