The school will not administer any medicines or screening to children without written permission from their parents. We urge you to complete this form as accurately as possible and return it with the application. Should you need any clarifications, please do not hesitate to call our nurses: Ms. Mattar (ext. 1122) and Ms. Halawi (ext. 1111).

- Yes, the school nurse has my permission to give my child over-the-counter medicines (e.g. analgesia, antipyretic, cough medicines, and throat lozenges) or antiseptic agents for wounds (in case needed).
- Yes, if any child or legal ward of mine enrolled at ACS appears to require immediate medical treatment and/or surgery where neither my spouse nor I are available to authorize a doctor to proceed therewith, I authorize the Head of School, or, in his absence or inability to act, the Deputy Head of School, to take whatever action is deemed necessary to ensure the provision of any necessary permit or authorization.
- Yes, I hereby authorize the school nurse to release information contained in this document to other health professionals or school administrators whenever it is medically needed for the care of my child.

Information requested herein in addition to the school screening examination are done in order to ensure that our students are at their maximal learning capacity and able to participate in the various school activities. They are not a replacement for your child's physician's medical assessment.

- Yes, the school nurse has my permission to perform a physical screening (height and weight measurements, dental, and vision check) for my child.
